What is RAB?

RAB stands for Resident Advisory Board. The Resident Advisory Board is made up of residents from Public Housing. These residents reflect and represent the residents assisted by the Abilene Housing Authority. The role of this board is to assist and make recommendations regarding the development of the PHA plan and any significant amendment or modifications to the PHA Plan. We want YOUR Input!

Resident Council

This is a council consisting of only residents from public housing. Unlike RAB, Resident Council is a tenant association geared towards the revitalization of public housing. The Resident Council exists to make public housing better. With a Resident Council, people can come together and get things done, get things changed!

Now, we all know that there are some things that cannot be changed. However, we are dedicated to making changes that will bring improvement.

Renter's Insurance

As a resident of Public Housing, you may want to consider purchasing renter's insurance.

- ◆ Renter's insurance is a form of insurance that covers a policyholder's belongings against perils such as fire, theft, wind-storm, hail, explosion, vandalism, riots, and oth-

ers. It also provides personal liability coverage for damage the policyholder or dependents cause to third parties. It also provides additional living expenses, known as loss-of-use coverage, if a policy holder must

move while his or her dwelling is repaired. It also can include coverage for property improvements. Possessions can be covered for their replacement cost or the actual cash value that includes depreciation. (Insurance Information Institute)
