## Halloween Safety Tips

Halloween is right around the corner and I am sure your children are already planning their costumes. Halloween is a fun time of year for everyone but it can also be a time of physical injury caused by carelessness or a lack of preparation. Here is a list of tips to help keep you and your family safe during Halloween:

- ◆ All costumes should be made of flame retardant material
- ◆ If wearing a mask, ensure that the eye holes allow for sufficient sight

- ◆ Carry flashlights and add reflector strips to costumes so that others can see you
- ◆ Never enter the home of strangers
- ◆ Do not consume candy or other treats until an adult has inspected it
- ◆ Drive below the posted speed limit and avoid using cell phones

- ◆ Advise children to not get into the vehicle of a stranger
- ◆ Do not send your children out alone
- ◆ Explain to your children that vandalism of any sort is never acceptable.

### *Our Mission Statement:*

## What is RAB?

RAB stands for Resident Advisory Board. The Resident Advisory Board is made up of residents from Public Housing. These residents reflect and represent the residents assisted by the Abilene Housing Authority. The role of this board is to assist and make recommendations regarding the development of the PHA plan and any significant amendment

or modifications to the PHA Plan. We want YOUR Input! Interested?  
Call Tanya—676-6032

## Resident Council

This is a council consisting of only residents from public housing. Unlike RAB, Resident Council is a tenant association geared towards the revitalization of public housing. The Resident Council exists to make public housing better. With a Resident Council, people can come together and get

things done, get things changed! Now, we all know that there are some things that cannot be changed. However, we are dedicated to making changes that will bring improvement.

## Renter's Insurance

As a resident of Public Housing, you may want to consider purchasing renter's insurance.

- ◆ Renter's insurance is a form of insurance that covers a policyholder's belongings against perils such as fire, theft, wind-storm, hail, explosion,

vandalism, riots, and others. It also provides personal liability coverage for damage the policyholder or dependents cause to third parties. It also provides additional living expenses, known as loss-of-use coverage, if a policy holder must

move while his or her dwelling is repaired. It also can include coverage for property improvements. Possessions can be covered for their replacement cost or the actual cash value that includes depreciation. (Insurance Information Institute)

Additional information is available in the PH Office Lobby!

### EMERGENCY WORK ORDERS

Management would like to remind residents that the maintenance staff will be called out after hours for emergency work orders only. If non emergency work orders are called in after hours,

residents will be asked to call the office on the next business day to report their requests.

As a reminder safety is always a priority for Public Housing Residents. If you have a true emergency, please call 911.

Also feel free to contact our office if you are unsure of what is considered an emergency work order.
