Interim Increases – Administrative Plan Revision

- **Current PHA Policy:**

The PHA will conduct interim reexaminations for families that qualify for the earned income disallowance (EID), and only when the EID family's share of rent will change as a result of the increase. In all other cases, the PHA will note the information in the tenant file, but will not conduct an interim reexamination.

Revision:

The PHA will conduct an interim reexamination for families that report an increase in household income.

- **Current PHA Policy:**

If a family reports a change that was not required and that would result in an increase in the family share of the rent, the PHA will note the information in the tenant file, but will not conduct an interim reexamination.

Revision:

When a family reports a change that was not required and it will result in an increase in the family share of the rent, the PHA will conduct an interim reexamination.
